Dear Friends:

At its Board meeting on June 22, the Denman Conservancy Association (DCA) passed a resolution to write to you with our support for your efforts to preserve Mack Laing's home, Shakesides.

Mack Laing was an exemplary naturalist, not only in BC, but across Canada. As a conservation organization, DCA is keenly aware that we stand on the shoulders of those who have gone before on the path to honour and protect the natural world. The Laing home is a symbol of that work and must be preserved at a time when our planet is sorely in need of such heritage.

We applaud your work.

Sincerely,
